## Thank You:

- ❖ **Thank you** so much to everyone who drove for our three fieldtrips in the last month!!! Without the support of our parent drivers, these fieldtrips would not be possible. The students had a great time and learned a lot on these trips. We are currently writing about them.
- ❖ A special THANK YOU to Mrs. Bedard who organized and funded the trip to Medieval Times for seventh grade!!! We appreciate you very much!

I need to know if parents can drive for a performance at the McCallum theatre on Friday, May 21<sup>st</sup>. We would leave school at 8:30am and return by 11:00 am. It is a great educational opportunity that the McCallum offers for free, but we have to let the theatre know for certain if we will be attending.

Please complete and return this part of the page by Monday, May 3rd. I need to confirm or cancel our reservations depending on whether or not we have enough drivers.

\_\_\_\_\_ Yes, I will be able to drive on Friday, May 21st. I have \_\_\_\_\_ seats for students in my vehicle.

\_\_\_\_\_ NO, I will not be able to drive on Friday, May 21<sup>st</sup>.

Name: \_\_\_\_\_

Thank you so much for all you do to support your children in their education!!!
